

### What is IQAC?

**IQAC (Internal Quality Assurance Cell)** is a **permanent internal mechanism** established in every accredited institution (college/university) to ensure continuous improvement in the overall quality of education.

It was made **mandatory by NAAC (National Assessment and Accreditation Council)** for all accredited institutions to establish IQAC after the first accreditation cycle.

---

### Objectives of IQAC

1. To develop a system for **conscious, consistent, and catalytic improvement** in the performance of the institution.
  2. To **promote institutional quality enhancement** through internalization of quality culture and institutionalization of best practices.
  3. To prepare for **re-accreditation** by ensuring all quality measures are continuously implemented and documented.
- 

### Functions of IQAC

According to NAAC, the IQAC should:

1. **Develop and apply quality benchmarks** for academic and administrative activities.
2. **Facilitate a learner-centric environment** conducive to quality education.
3. **Arrange feedback** from students, parents, alumni, and other stakeholders on quality-related institutional processes.
4. **Disseminate information** on quality parameters of higher education.
5. **Organize workshops and seminars** on quality-related themes.
6. **Document** various programs and activities leading to quality improvement.
7. **Act as a nodal agency** for coordinating quality-related activities.
8. **Prepare the Annual Quality Assurance Report (AQAR)** as per NAAC guidelines.
9. **Maintain institutional database** through MIS (Management Information System).
10. **Promote institutional best practices** and innovation.
